

Updating your towSearch profile:

- You must be a towPartners member to be listed on towSearch. By becoming a towPartners Gold or Gold Plus Member, your company and the information you provide is automatically added to the towSearch database.
- Keeping your towSearch profile updated makes sure your company is found when users utilize the towSearch search engine. towSearch provides you the opportunity to share your contact information and services with potential customers. You can also have emblems added to your online listing indicating that you are a member of your state association, law enforcement approved, and that you have valid and current insurance in place. Please review the directions below on how to properly update your towSearch profile.

Step 1) Login in to www.towPartners.com and select “Update Profile” from the navigation tabs.

Step 2) Upload your company logo by selecting “Add new logo” on the Member Information Update Form.

Member Information

* Company Name: Member Number: 32

Toll Free Number:

Primary Contact:

Primary Classification:

Company Logo:

Step 3) It is important to fill out as much of your profile as possible. The questions you answer help us determine which services and contact information to display in your online towSearch listing. The towSearch section on the Member Information Update Form tells us that you would like a free listing and what slogan you would like displayed. It also allows you to enter law enforcement contracts which appear as a “law enforcement approved” emblem on your listing. This is also the section that allows you to upload your proof of insurance.

towSearch

Do you want a free listing on towSearch.com?

is your company willing to offer a 10% discount to towSearch users?

Enter your company slogan or a special offer here to have it appear on the towSearch results screen with your listing

Entries will be reviewed and must be non-controversial and not demeaning of other companies. Examples of good entries include "One Call Does It All" or "First Three Miles Free When You Mention This Ad" or "We also specialize in transmission repair"

owSearch now includes a designator in the results screen to show users of the service which members are Law Enforcement Approved. This designator additionally will soon indicate how many municipal each municipal contract or law enforcement contract your company services. Be sure to come back and update your profile when your contracts renew to keep the emblem active on your towSearch listing

Agency Name	Service Type	Expiration
<input type="button" value="Add Service Contract"/>		

owSearch also allows you to receive a designator on your profile to show if you have valid insurance in force. To receive this designator you must have at least \$500,000 in liability coverage and must pro be insurance on File designator on towSearch until your policy expires. Be sure to resubmit your proof of insurance when your policy renews to keep this emblem on your profile.
